

Massage Therapy Program (600 Hours) Consumer Information

CIP Code (Classification of Instructional Programs)	51.3501
SOC Code	31-9011.00 Massage Therapists http://www.onetonline.org/link/summary/31-9011.00

DESCRIPTION: The Massage Therapy program is designed to qualify graduates for entry-level employment in a health care setting, spa environment or as an independent practitioner. The program includes 600 clock hours split into classroom training (Theory), and a clinical setting taught under the supervision of a Florida licensed Massage Therapist. Topics include anatomy, physiology, massage theory, Florida Law, HIV/AIDS education, hydrotherapy eastern and allied modalities taught in small classes. Students gain hands-on experience through clinical applications.

OBJECTIVE: Upon successful completion of the program, a diploma will be awarded and the student is prepared to sit for a Board approved exam to become licensed as a Florida Licensed Massage Therapist. Hollywood Institute of Beauty Careers offers a Massage Program that prepares the student to meet the educational requirements of the Florida Department of Health, Board of Massage Therapy, and the curriculum outlines of the Florida Department of Education.

NATURE OF THE WORK, WORKING CONDITIONS AND PHYSICAL REQUIREMENTS: Ability to sit or stand for long periods of time, manual dexterity, steady hands, ability to advise clients with a friendly, courteous personality.

SAFETY REQUIREMENTS:

- Adherence to the highest standards of sanitation, disinfection and sterilization
- Proper use of equipment and chemicals
- Practice basic hygiene, well-groomed and professional appearance
- All rules and regulations of Hollywood Institute of Beauty Careers must be followed

FLORIDA LICENSING REQUIREMENTS:

- 500 clock hours (HIBC requires 600)
- Passing grade of 70% in each course
- HIV/AIDS course certificate
- Passing grade of 75% on National Certifying Examination or MBLEx Examination

DISCLOSURES based on July 1, 2013- June 30, 2014 award year:
